Soul - A newly designed chair which symbolizes the strength of our inner self. Inspired by the passion for design itself, so strong yet elegantly blended into our heart and soul, so intricate yet aesthetically presented by its sturdy and curvy physical appearance. With the futuristic design which transcends time, it will surely enhance the overall image of your office. Its breathable bee hive pattern backrest and seat design will definitely maximize the pleasant feeling while sitting on it.

Soul.
Discover a totally new sitting experience.
